Deaths Involving Substances Mixed with Opioids – Q1 + Q2 2020

Despair

- Periods of economic disruption and increased substance misuse are often correlated
- Increases in unemployment may lead to continued increases in the misuse of all classes of substances
- Increased substance misuse brings increased rates of overdose – and death

COVID-19 Inter-Agency Overdose Action Plan: Goals

- Prevent Problematic Substance Use
- Reduce Substance-Related Morbidity and Mortality
- Expand Alternatives to Incarceration for People with Substance Use Disorder
- Expand Access to SUD Treatment in the Criminal Justice System
- Monitor Substance-Use Trends
- Expand Access to Substance Use Disorder Treatment
- Ensure Access to Recovery Support Services

OOCC FY20 Block Grants and Competitive Grants by Priority Area

\$9.6 Million OOCC Grants

Federal SUD Grants

- State Opioid Response II (SOR II) Grants
 - \$50 million administered by the Behavioral Health Administration
 - Focused on both opioids and non-opioid substances of misuse
- Workforce Grants
 - \$4.6 million administered by the Department of Labor
 - Directed to seven local workforce areas (14 jurisdictions)
- More than a dozen other state agencies also receive a combination of state or federal funding
